To Whom It May Concern:

I am a mathematics teacher and volleyball coach at Palisades Park Jr/Sr High School. Last year the girls on my team decided they wanted to do something that would be kind and heartfelt during the holiday season. We came up with the concept of Purses with Purpose to achieve this goal. Our first drive was such a success we've decided to make this an annual occurrence.

From now through November 17th we will be collecting donations such as those listed in our included flyer. Our objective is to then take those donated items and assemble them into purses which we will then distribute to various shelters in our local area.

I am humbly asking for your support in whatever way you can possibly provide. For your convenience you may contact me at 201 941 1100 ext 3838 or send donations to:

Thank you in advance for your time and donation.
