October 10, 2018

Upon completion of the work performed this week at the Jr/Sr High School, *Detail Associates, Inc.* has assessed the remediation procedures and report that the air sampling show the area to be **clean** and **acceptable** to be opened for normal activities.

Beginning tomorrow morning, the entire conference room area will once again be open and can be utilized. Thank you once again for your patience and understanding throughout this process.

Respectfully,

Joseph Cirillo
