Help children with cancer not have to fight their battle alone!

From 2/2-2/14 **Lindbergh Elementary School** is participating in the **Leukemia & Lymphoma Society's (LLS)** Student Series fundraising program. Your child will be helping local cancer patients beat their disease by raising funds needed to support blood cancer research.

By collecting donations, LLS is able to find effective cancer therapies that, over 50 years, have increased the childhood leukemia survival rate from 3% to 90%.

LLs also provides financial support to families affected by blood cancer to help combat the high cost of care.

So donate today! There are two ways to donate- donate money including cash and checks to your child's classroom teacher or donate online.

You can help your child create their own fundraising page:

1. Visit: studentseries.org/find-your-school
2. Search for Lindbergh Elementary School by entering name, city and state and clicking FIND.
3. Select Lindbergh Elementary School from the search results.
4. Select “JOIN A SCHOOL TEAM” or if your child’s classroom has set up its own page, select “join Classroom Team”.
5. Create a new account, or if you have ever had one sign in with your username and password.
6. Create your child’s online fundraising page.
7. Once created, share the link to your child’s online fundraising page with friends, family and coworkers through email and social media.
8. Boxes for donation will be sent home and located in your child’s classroom. Please consider donating today. Any amount is accepted and appreciated

This year, Lindbergh School students can earn exciting Hero Squad Gear by fundraising for LLS. Rewards will be given to every child who raises money either by online donations or with cash donations. Gear includes: squad tattoos, Power Rings, Hero Bands, T-shirts and much more.

Join our squad today and let's put an end to blood cancers!
