September 1, 2019

Dear Palisades Park Families:

It is my pleasure to welcome you back to the 2019-2020 school year! I hope that your family has been enjoying a healthy, happy, and restful summer. We look forward to seeing you on the opening day of school, Thursday, September 5th.

In preparation of my 7th year as the Superintendent of the Palisades Park Schools, I have spent time this summer critically thinking about our school community, reviewing our work, academic data, projects, and activities from 2018-2019. We have an exceptional faculty, talented support staff, phenomenal students, and supportive families.

I encourage you to be involved at your respective schools through our PTA, school committees, or by going to our website www.palpkschools.org for updates regarding any/all information about our schools. I look forward to continuing to work with each of you in making our schools the very best they can be!

Please be reminded that all visitors must check in with our security and be entered into the visitor management system. Picture ID is necessary to complete this process. Only individuals with appointments will be granted access to the building. Appointments with school counselors, teachers, and building administration must be scheduled in advance. This year, all staff and visitors will wear a specific ID Badge for ease of identification. Student lunches and belongings may be dropped off in the designated area outside of the building where it will be collected periodically by a member of our security team and distributed accordingly. Visitors will not be allowed to enter the main doors to drop off lunches or belongings.

In closing, may I offer my best wishes for a remarkable school year for our students! I look forward to ensuring they have what they need to succeed in a safe and exciting learning environment.

Respectfully,

Dr. Joseph Cirillo
