Dear Parents and Guardians:

The Palisades Park Public Schools believes communication is key to enhancing the home-school connection. Pursuant to N.J.S.A. 18A:7C-6.6, school districts must provide parents and guardians information regarding assessments that will be administered this academic year. While this may not pertain to parents of students in primary grades, we would like to inform all parents of our district assessments. Should you have any questions regarding any of the assessments noted below, please do not hesitate to reach out.

The Palisades Park School District looks forward to a successful academic year.
