

Palisades Park Junior/Senior High School
1 Veterans' Plaza
Palisades Park, NJ 07650

Dear Parents,

We are excited to offer your child a new and unique opportunity to take a SAT preparatory workshop taught by two teachers at Palisades Park Jr/Sr. High School. We are aware of the other test preparation programs offered at a significantly higher cost, and we are proud to say that our workshop will be considerably cheaper and taught using effective instructional methods. Unlike some instructors at other test preparation sites, these certified teachers are familiar with the individual needs of the students at Palisades Park Jr/Sr. High School.

Taking this workshop is highly recommended. As you may know, colleges and universities utilize student SAT scores to make admission decisions. In some cases, a student's score can make or break an application. There is a great deal of research to support that students who participate in test preparation programs make the most significant gains.

The workshop will be held at Palisades Park Jr/Sr. High School and will run for seven weeks. The total cost of the program is \$400, which includes a SAT workbook; however, if your student attends every session and completes all homework assignments, we will reimburse \$50 at the conclusion of the program. Similar programs can cost over \$1,000. The workshop is a very intensive program that prepares students for the math, critical reading and writing sections of the SAT. Students will spend two hours a week preparing for the math section and two hours a week preparing for the critical reading and writing sections. During these sessions, students will be taught test-taking strategies and have the opportunity to use these strategies in order to identify individual strengths and recommended areas of improvement. Once provided with all of the essential training, students will take full-length practice tests on selected Saturday mornings. Attached is a tentative program schedule.

If your child is interested, please complete the attached registration and return with payment to Jaclyn Delloso or Rwan Elmohdli at Palisades Park Jr/Sr. High School. Should you have questions or concerns feel free to contact us at 201-941-1100 or e-mail jdelloso@palpkschools.org or relmohdli@palpkschools.org.

Sincerely,

Jaclyn Delloso & Rwan Elmohdli

SAT Prep Dates and Times

Please note that the dates listed below are tentative.

March

Monday, March 13: Critical Reading/Writing 6:00-8:00 pm

Wednesday, March 15: Math 6:00-8:00 pm
